History

Take a step back in time

Fox Lake Historical Society

All non-written history is on display at the Fox Lake Historical Society in the many buildings they operate for the community. The Society is responsible for the preservation of the Fox Lake Depot building, which houses the main society displays, as well as the Car Shed. The Car Shed houses a 1940s-era Fairbanks gas-engine-powered track car, the summer kitchen, working blacksmith shop, and Sinclair Gas Station building on the Depot grounds. It also operates the Community Congregational Museum up the street from the Depot grounds, which is one of the first churches in town being built in 1855 and was the longest running continuous church. It held its final service in October of 2012.

Housed are items related to the theme of each building as well as farming and local business artifacts, Native American arrowheads, tools, weapons, military uniforms and equipment, an extraordinary Civil War artifact collection, a Bunny Berrigan collection dedicated to the famous jazz musician, and photographs of the people, places, buildings, and businesses that made Fox Lake what it is today. Please look for 2nd Saturday programs over the winter months and a special event on May 6.

The Depot Museum at 211 W. Cordelia St., is open the 1st and 3rd Sundays from 1-4pm from June to the first weekend in October. The church is open for special events or by appointment only. Call (920) 296- 0254.

Fox Lake's settlement history dates back approximately 10,000 years before the white man came here. It was a fertile place and Native Americans favored the lake for good hunting, fertile cropland, easy living, and as a gathering spot. With Jacob P. Brower came the era of recorded history in Fox Lake, and by all accounts it was a peaceful transition. The name of the city changed three times in the early years: Frankfurt in 1839, Waushara in 1840, and finally Fox Lake in 1856.

Harriett R. O'Connell Historical Room

The room is established to preserve historical material relating to the City of Fox Lake and the surrounding area and, to honor the memory of Harriet R. O'Connell, who devoted much of her time and energy to the preservation of existing material. The Fox Lake Public Library houses the room in the lower level of the library but is a separate entity with its own governing board of trustees. The room is a vast collection of Fox Lake history, and it has been cited by members of the Wisconsin State Historical Society as the "largest collection of small-town history in the state".

At the present time there are several volunteers indexing the tax records, scrapbooks and newspapers dating back to the mid 1800's. With past funding from a private source, cataloging the room resources has made great strides and there are thousands of entries leading researchers back to information about people, places, and events of Fox Lake and surround area. Library staff and volunteers are working to create digital records of the collection for better access and preservation. The historic newspapers are available on newspapers.com, with free access at the Fox Lake Public Library.

Due to the huge project of putting the room in order, it is not possible for the library staff to do large personal research for people. Though the lower level is closed to the public, library staff and volunteers are available to assist researchers locate records. For further information or to make an appointment to research, contact the library at (920) 928-3223 or email the library director at eanders@monarchlibraries.org. More information about the historical room, digital collection and room policies can be found at <https://www.foxlake.lib.wi.us/historical-room/>

We are always in need of volunteers to preserve Fox Lake history. Volunteers typically meet Thursday afternoons, 1 – 3 pm, fall to spring. Other times can be arranged to fit any schedule. If interested in becoming a volunteer, contact the library Director.

In 1860, at the beginning of the Civil War, the community had a population of 2,643, with nearly 2,000 individuals being residents of the Village proper. The community contributed greatly to the fight for the Union, sending three full companies to duty, including the Iron Brigade and the Eagle Regiment, as well as 20% of Berdan's Sharpshooters, and numerous individual regimental volunteers. Fox Lake men were present at most eastern theater battles from Bull Run to Appomattox. Riverside Cemetery is the final resting place of war veterans from the War of 1812 through current conflicts and all in between, as well as the rejected lover of Florence Nightingale.

Fox Lake has the oldest wood-framed building in Dodge County. They had a marine US mail route, along the Military Road. Fox Lake also hosted the first Wisconsin school for women, the Wisconsin Female Academy, later known as Downer College.

Recreation

Year round recreation is abundant in Fox Lake

The year round recreation is never ending in the greater Fox Lake area. Snowmobile trails, cross-country skiing, hiking, hunting, just to name a few. Golf at our 18-hole golf course, shop the downtown or swim at our sparkling aquatic center. It doesn't matter what you do for fun, there are many ways to enjoy yourself in Fox Lake. The lakes offer limitless recreational opportunities, such as fishing, kayaking, boating, skiing, tubing and outdoor lakeside dining. Fox Lake continues to be a tourist destination year after year. ***Come join us!***

New ADA Kayak Launch

The Fox Lake Preservation Organization (FLPO) and the Town of Fox Lake worked together on purchasing a new ADA Kayak Launch for Fox Lake! This partnership resulted in obtaining funds from the WDNR Recreational Boating Facilities Grant and from the FLPO to purchase the kayak launch. This new feature on Fox Lake will allow paddlers of all abilities to enjoy the 2,700+ lake acres.

The kayak launch is located at the Town Park, which is on Blackhawk Trail toward the northwest corner of the lake. The launch is free to use and all kayakers are invited to use it!

Friends of the Lake Outing

The Fox Lake Preservation Organization invites special needs adults and chaperones to be their guests at Town Park, Blackhawk Trail, for pontoon boat tours on Fox Lake. Snacks and beverages are provided. After several hours of touring the lake, the guests return to shore for a cook-out lunch. Held for 28 years, traditionally on the third Saturday in June, the Friends of the Lake Outing has become the popular social event for our friends from ARC of Dodge County and Bethesda Lutheran Home in Fox Lake. It takes many volunteers, pontoon boat captains and "first mates", cooks, servers and dockside attendants to make the outing a memorable experience for the guests. For further information please call Bob Bergman at (920)-928-3486

Fishing

Fox Lake is continuing to earn its reputation as one of the top 10 fishing lakes in the state of Wisconsin. Abundant fish include perch, crappies, blue gills, muskie, northern, walleye and bass. Fishing is a year-round sport in Fox Lake, whether it happens from boats, docks, or public piers at the Town of Fox Lake Park/Boat Launch on Blackhawk Trail or the City of Fox Lake Clausen-Riverside Park/Boat Launch. Winter ice doesn't stop us either. Ice fishing is alive and well in Fox Lake! You may pick up a map of Fox Lake, courtesy of the Fox Lake Chamber of Commerce, at area resorts and businesses.

Fox Lake isn't the only lake in the area. Lake Emily is just northwest of Fox Lake and Beaver Dam is just south. Each have public launches.

Mill Creek Dam

The Mill Creek Dam is also a favorite spot for fishing throughout the entire spring and summer. Located at the end of Mill Street, this dam controls water flow from Fox Lake to neighboring Beaver Dam Lake. The Mill Creek Restoration project provides a handicap fishing and picnicking area with a handicap-accessible table by Riverside Park. For more information regarding the Mill Creek Restoration project, call the Fox Lake City Hall at (920) 928-2280.

Fish Stocking on Fox Lake

To promote the recreational use of Fox Lake, the Fox Lake Preservation Organization (FLPO) in conjunction with the Wisconsin Department of Natural Resources (DNR) continue to commit itself to an extensive yearly fish stocking program.

On October 3rd at 9:30 am, the FLPO worked with 5th and 6th grade students from SAGES to release 2,600 - 7 to 9 inch walleye, 4,290 - 5 to 7 inch perch and 4,620 black crappies into Fox Lake at Town Park on Blackhawk Trail.

The success of the annual fish stocking program is made possible by fundraising events, donations, and FLPO membership dues. The generous financial support and the time and effort of volunteers assure that Fox Lake remains a top-rated fishing lake.

Fox Lake Chamber of Commerce Ice Fisheree

Nineteen years ago, the Fox Lake Chamber decided to bring back its Annual Ice Fisheree. Hosted at the Boat House Pub & Eatery by Vicki Matheys, the 2023 event will be held on Saturday, January 28, starting at 7 a.m. and ending at 3 p.m. There's a full day for catching the many fish available in Fox Lake and chances to win prizes for the largest fish in any of the legal categories.

Not into winter sports? All afternoon, those who prefer the indoors, have a chance to participate in the silent auction and the many raffles put on by the Chamber.

All award-winning fish entries are announced and prizes are awarded at 4 p.m., along with an invitation to stay into the evening to enjoy some musical entertainment.

American Legion Fisheree

The Fox Lake American Legion Fisheree will be held on Saturday, February 4. Registration is at the Fox Lake Legion beginning at 5 a.m. Fisheree time is 7 a.m.-2 p.m. at the Boat House Pub and Eatery launch.

Raffles, silent auction, door prizes, and

bucket raffles begin at 2 p.m. at the Legion. Cash prizes in all fish categories for children and adults begin at 4 p.m. A "special items" pre-raffle is available. Food and beverages will be served beginning at 2 p.m. at the Legion. A full menu will be available at the Boat House beginning at 11 a.m., beverages will be available at 7 a.m.

the largest fisherees in the area. Tent and entertainment open to the public. Proceeds go to the fish stocking of Fox Lake.

Fox Lake Local Charities 12th Annual Fisheree

Eleven years ago there was a Saturday in February without an event at the Boat House, so they started a charity fisheree.

This year the 12th annual Fox Lake Local Charities Fisheree will be held on Saturday, February 25. The fisheree will run from 7 a.m.-2 p.m. at the Boat House Pub and Eatery, N10575 Chief Kuno Trail.

golf course is open to the public from March 14 to November 14, with a full bar and serving food.

All types of golf memberships are available. They have Men's, Women's, Senior, and Couples Leagues. They are extremely proud of their Women's League/Club for raising over \$15,000 for breast cancer this year. Check out

the Early Bird Golf Specials Monday thru Friday 7 a.m. - 10 a.m.

The Fox Lake Golf Club is located at N10500 Indian Point Road, Fox Lake. The phone is 92-928-2508. Find them online at www.foxlakegolfclub.com.

Disc Golf

Fireman's Park Disc Golf Course is a 9 hole course, set in a multi-use park that plays around a swimming pool and baseball diamonds. There are discatcher baskets on all holes. It offers a mix of shots with some longer holes and plenty of out-of-bounds with fences. The course is mostly flat and lightly wooded. Tee pads are varied, with some on concrete, some on roads. There are two tees per hole (white/blue) that are signified by blocks in the ground. Even the natural areas are level and easy to throw from. There are nice differences in distance, especially between tees. The alternate pin placements really change the distances. It is located at 248 E. State St., Fox Lake.

Walking Trail

In the summer of 2003 the City of Fox Lake Beautification Committee made a dream become a reality by turning the old railroad loop into a walking trail from the Depot to Fox Lake Junction. The loop is approximately one mile long using the route through Fox Lake that the railroad company created to bring the railroad line to town. It was used until the 1960s by Fox Lake.

By 2006, a prairie garden, other gardens, and several trees were planted next to the walking trail. Signage and two gated arbors on the Trenton Street entrance were also installed.

Walkers can enter the trail at any point; however, the Depot Railroad Museum on Cordelia Street is considered the beginning of the trail. Any season—winter, spring, summer and fall—just look for signage and enjoy a hike on the Fox Lake Loop Walking Trail.

Hunting

Each fall, deer hunters gather in and around Fox Lake in Dodge County to take home that special trophy. Many public hunting areas are available. For more information, contact the Horicon DNR at (920) 387-7860 or Wildlife Intake Line at (608) 267-0866.

Parks

West Crocker Street Park

Find recreation and relaxation in Fox Lake's parks

The Fox Lake community offers its residents and guests more parks than many larger localities.

Adams Spring Park

Located on Highway 33 on the south end of the city, Adams Spring Park features a memorial to Bunny Berigan, a famous jazz trumpeter from Fox Lake who performed with some of the best bands of yesteryear.

Clausen Park

Located on the north end of the City of Fox Lake, Clausen Park features a 60-foot-tall Memorial Tower, donated to the city by Leon Clausen in 1955. Public restrooms are at the base of the tower. Clausen Park is the site of the annual Memorial Day Observances, as well as other activities.

Fireman's Park

Fireman's Park offers baseball diamonds and volleyball and basketball courts. It is located adjacent to the City of Fox Lake offices, fire department, police department and community center.

Fox Lake Aquatic Park

Fox Lake Aquatic Park is located just east of the Fox Lake Community Center and features pools to keep kids and adults cool on hot summer days.

John 'Red' Solis Memorial Park

John 'Red' Solis Memorial Park is the newest addition on the west end of the city and is located on Forest Street in the City of Fox Lake. Get your children some exercise on colorful playground equipment

Riverside Park

Riverside Park is immediately west of Clausen Park. It features a large playground, BBQ grills, and a shelter for picnickers and other guests. It also has a public boat launch, with parking for vehicles, as well as a handicap-accessible pier for fishing. Great view of the 4th of July fireworks and festivities. Also available to rent for private parties, call City Hall for details.

Town Park

Town Park is located between Blackhawk Trail and the northwest corner of the lake, in the Town of Fox Lake. It has a handicap-accessible pier, public access for boating, and a shelter with restrooms.

Veterans Memorial Park

Veterans Memorial Park is a small park on the corner of College and State streets in the City of Fox Lake. It was constructed in 2002 to honor all area veterans.

West Crocker Street Park

The West Crocker Street Park got a new look in 2019! Thanks to a community wide effort to improve the park, kids now have more play area and new play equipment including an array of tunnels, slides, handicapped access swings, ladders, monkey bars and other activities. There is also a park sign in the shape of a big fox, which can't be missed. Even with the additions there is still plenty of green space for kids and families to play games, to have a picnic or just relax.

Fox Lake Dog Park and Sledding Hill

Both are free to the public. They are located at the North end of Booth Street. The dog park is in the Little league Diamond and the sledding hill is located just north of the Little League Diamond on other side of the concessions stand.

In an effort to increase the safety of all those who use the roadways in this area, here are some safe driving tips.

- 1 Dim your headlamps when you meet a horse and buggy at night.
- 2 Give a wide berth when passing a horse and buggy.
- 3 Avoid rapid acceleration or unnecessary vehicle noises when passing or near a horse and buggy, loud noises may startle the horse as well.

Following a few simple tips as a motorist will help make our roadways safer.

Mission Statement

The Fox Lake Chamber is a member-based organization dedicated to establishing and maintaining itself as the primary voice and resource to determine and enhance the future growth, economic vitality, direction and success of the greater Fox Lake business organizations.

Join Us!

Fox Lake offers many clubs and organizations to get involved with.

Sno-Blazers Snowmobile Club

Over 45 miles of trails are groomed and maintained by volunteers from the club. The club's mission is to provide groomed trails and fun, safe activities. The club meets once a month from September - April. A schedule of events and meetings, membership information, and trail conditions can be found on their website at <http://foxlakesnowblazers.wix.com/fox-lake-sno-blazers> or on facebook at fb.me/foxlakesnoblazers.

Riding the trail system is a privilege, not a right. Respect landowners by staying on the marked trails. Maps are available at several area businesses. Always check that trails are open before heading out by phoning the Dodge County Hotline at (920) 296-9091. For more information e-mail foxlakesnoblazers@gmail.com. Join our club for a discounted trail pass!

American Legion Post 521 and Unit 521 Auxiliary

Fox Lake's American Legion Post 521 currently has 160 members in its 2022 membership and is always looking for more. The Post supports area active duty military members as well as local, state and national support for our veterans. The Post has a bar which is open to the public as well as veterans, and a hall available for a nominal charge. This hall is provided free of charge to non-profit groups and returning active duty military personnel. They invite you to enjoy the fun atmosphere and listen to or tell some military stories to people who have also been there. They serve meals the first Saturday of the month, call ahead for details and time of raffle. Come enjoy our Polka Bands every Friday from 7:30 until 10 p.m. They will host a free children's breakfast with Santa and Mrs. Claus on December 2nd and also have brat fries throughout the summer. Please stop by and visit us, and the Military Veterans Memorial on State Street, here in Fox Lake. Call (920) 928-2381 for more information.

Education

SAGES

Located in Fox Lake, the School for Agricultural and Environmental Studies (SAGES) is Waupun Area School District's project-based, public charter school for grades 4K - 6th. This small school with a family-feel offers an innovative educational program infused with agricultural and environmental science. In 2021, SAGES was recognized by the Wisconsin Department of Public Education for its efforts to implement an equitable system of support in the area of behavior.

Community support for Waupun Area School District's Fall 2017 Facility Improvements Referendum resulted in SAGES adding and upgrading learning spaces, including a new Agriculture Classroom with Teaching Kitchen, Media Center, Collaboration Spaces, Greenhouse, and larger classrooms.

SAGES is proud to continue its focus of building strong relationships with their learners and families. Support from partnerships with local businesses and organizations have been integral in providing SAGES' learners with real-world experiences that positively impact them and the community.

Staff members have a renewed energy and commitment to providing SAGES' learners with meaningful, project-based learning opportunities that engage the multiple learning styles of the 21st century learner. Offering a rigorous, standards-based curriculum that engages learners in the learning process, SAGES' personalized learning methods include: questioning, off-school grounds learning, and project-based learning. SAGES' hands-on approach allows students to learn through observation and problem solving by using the area's natural venues as classrooms. Routine off-campus field experience trips include excursions to: SAGES community garden, the school forest, Fox Lake, Marsh Haven Nature Center, Mills Creek, and ventures to local businesses. With class sizes being no greater than 20, all learners become part of the intimate SAGES community, where they have the opportunity to grow academically, socially, and emotionally. Collaboration is fostered through multi-age and buddy class learning activities.

For more information about SAGES or to schedule a tour, please call 920-928-3136. Also, find SAGES on Facebook or at www.waupun.k12.wi.us/o/sages.

St. John's Evangelical Lutheran School

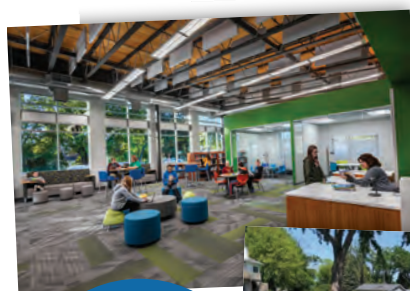

St. John's Lutheran School provides a Christ-centered education for children in 3-year-old Kindergarten through 8th grade in a safe, caring environment. The students at St. John's are taught through strong academic programs using up-to-date and innovative methods, technology and materials. St. John's provides a low student – to – teacher ratio. Our classes are multi-age, providing the teachers the opportunity to teach each child at his or her individual ability. We teach our students the love that our dear Savior has for them and the gift of forgiveness He gives to us all. Each day your child will be able to hear the Word of God and be strengthened in faith through the Holy Spirit. If you have any question or are interested in our school, please contact the school office at 928-3296.

St. John's has now added a 3-Year-Old Kindergarten program. These students love to dive in with both hands—whether it is finger-paint, glue, crayons, paint, or playdough! Moving in new ways with diverse materials helps promote fine motor skills and

reinforces mind-body connections in the developing brain. We encourage this kind of play and plan hands-on, age appropriate activities in art, science, math, and pre-reading skills to keep their creative juices flowing! At this time, the cost for the 3-Year-Old program is \$50 per month.

St. John's hosts an early childhood program called SonBeams. Due to Covid, this program is temporarily on hiatus. Please watch our website or facebook page for information about when this program will resume.

We would also invite you to join us for a worship service. Services are currently held at 8 a.m. and 10 a.m. on Sundays with a repeat service on Wednesday evening at 7 p.m. Our services are also live streamed at 8 a.m. on Sundays and are available for viewing on our website. Our church and school are affiliated with the Wisconsin Evangelical Lutheran Synod. Please contact Pastor Nottling at 920-928-3250 or visit our website, www.stjohnsfoxlake.org for any questions about our congregation or what we have to offer.
