FOR IMMEDIATE RELEASE

Fox Lake Chamber of Commerce
December to Remember – Event Update

Fox Lake, WI – December 2025

The Fox Lake Chamber of Commerce would like to inform the community of an important update regarding our annual **December to Remember** celebration scheduled for **Saturday, December 13, 2025**.

All planned activities for the event **will continue as scheduled**, with one exception. Due to the **forecasted low temperatures** on the day of the event, the **December to Remember Parade has been canceled**. The safety and well-being of our participants, volunteers, and spectators are our top priority, and the expected conditions make it unsafe to move forward with the parade.

All other festivities— including holiday activities, special events, and community gatherings — will proceed as planned. We encourage everyone to join us in celebrating the season and supporting our local businesses and organizations throughout the day.

We appreciate your understanding and continued support. For additional updates or information, please visit our website or follow the Fox Lake Chamber of Commerce on Facebook.
