### A Welcome from City Mayor Tom Bednarek

I would like to take this opportunity to thank you for reading the *Fox Lake Visitors Guide*. We are very proud of our community and hope that you will enjoy learning about Fox Lake. We strive to provide a clean, healthy, and safe environment and are committed to preserving an exceptional “quality of life” for everyone who visits.

If you decide to stay in our community, either temporarily or permanently, I hope you will have an opportunity to take advantage of your favorite water sport on the lake or at our aquatic center, golfing at our 18-hole golf course, dining at one of our restaurants, enjoying one of our many beautiful parks or library, and shopping at our many downtown businesses. If you have any questions about the Fox Lake area, feel free to stop in at City Hall, and one of our friendly staff members will be happy to answer those for you.

Sincerely, Mayor Tom Bednarek

### A Welcome from Town Chairperson Dean Streich

We would like to welcome you to the Town of Fox Lake and our neighbor, the City of Fox Lake.

We would like you to take a drive and view our beautiful lake from the following roads: Chief Kuno, Howard Dr., Black Hawk Trail and Indian Point Rd., like our ancestors did in the 1800s by horseback to make this their home.

We invite you to visit our lake for swimming, boating and fishing, or just a relaxing day on the water. This is a place your children can enjoy and talk about for years.

While you are here, be sure to visit our fine dining establishments on the lake – Hayes Resort, Boat House, The Shores or Schaumburg Supper Club on Lake Emily, and the Fox Lake Golf Club. In the City of Fox Lake, we also have the legendary Moose Mullin’s Drive-In (75 years plus) along with other fine restaurants.

We all invite you to the best kept secret in Wisconsin.

Sincerely, Dean A. Streich, Town of Fox Lake Chairman

### A Welcome from Chamber President Keri Seiler

The Fox Lake Chamber of Commerce enthusiastically welcomes you to our small-town community.

While you may hear a fish tale or two, Fox Lake has a unique experience to offer all those who find themselves friends for a day, or for a lifetime.

From the ripple of a wave to the roar of a snowmobile, the lake has many activities for all interests in all seasons.

Our resorts and lakeside community continually host fishing events, ice races, and guided or rented boat tours.

If you find that one day just isn’t enough time to enjoy the repose of the lake atmosphere, rent a cabin on the water and let the crickets serenade you to sleep.

While visiting our lake community, be sure to venture downtown. Freckled with personality, Fox Lake emits a warm reception to the inquisitive visitor. If you ever find you’ve lost your way, just ask any of the locals and they will be happy to point you in the right direction.

Try your hand at a round of golf on our pristine 18-hole course, or stop in for ice cream at our nostalgic Drive In. Peruse our vintage and specialty shops, or take a dip in our aquatic center designed for young and old alike. For the refined palette, we offer wine tastings, concerts in the park, and fine dining.

For more information about our area and special events, please stop in at our Chamber office (305 W. State Street), visit our website, [www.FoxLakeChamber.com](http://www.FoxLakeChamber.com), or give us a call at (920) 928-3777.

Whatever your interest, you are always welcome and we anxiously await the next time we see you.

Sincerely,  
Keri Seiler

## Parks

Recreation and relaxation are very important to this community, as shown through the number of parks maintained. The Fox Lake community offers its residents and guests more parks than many far larger localities.

**Adams Spring Park**, located on Highway 33 on the south end of the city, features a memorial to Bunny Berigan, a famous jazz trumpeter from Fox Lake who performed with some of the best bands of yesteryear.

**Clausen Park**, located on the north end of the City of Fox Lake, features a 60-foot-tall Memorial Tower, donated to the city by Leon Clausen in 1955. Public restrooms are at the base of the tower. Clausen Park is the site of the annual Memorial Day Observances, as well as other activities.

**Riverside Park** is immediately west of Clausen Park. It features a large playground, BBQ grills, and a shelter for picnickers and other guests. It also has a public boat launch, with parking for vehicles, as well as a handicap-accessible pier for fishing. It is the location for the Concerts in the Park series of live music events during the summer months.

**Fireman's Park** offers baseball diamonds, as well as volleyball and basketball courts. It is located adjacent to the City of Fox Lake offices, fire department, police department and community center.

**Town Park**, located between Blackhawk Trail and the northwest corner of the lake, is in the Town of Fox Lake.

It has a handicap-accessible pier, public access for boating, and a shelter with restrooms.

The **Fox Lake Aquatic Park** is located just east of the Fox Lake Community Center, and features pools to keep kids and adults cool on those hot summer days.

The **John 'Red' Solis Memorial Park** is the newest addition on the west end of the city, and is located on Forest Street in the City of Fox Lake. Colorful playground equipment to challenge and exercise our young people is featured.

**Veterans' Memorial Park** is a small park on the corner of College and State streets in the City of Fox Lake. It was constructed in 2002 to honor all area veterans.

**The West Crocker Street Park** in the center of the city has a newly built 1/2 basketball court besides playground equipment and a softball area.

## Fox Lake Loop Walking Trail

Winter, summer, spring and fall; the Loop Trail has it all!

Spring: Walking briskly on the trail, you may come across iris, daffodils, tulips, crocus, grape hyacinth and pansies.

Summer: Sitting on a bench or jogging the trail, you may see flowering trees and bushes, black-eyed Susan, purple cone flowers, marigolds, purple sage, or Queen Anne's lace.

Fall: Walking your dog, you can see burning bushes along the perimeter or mums.

Winter: Cross-country skiing or sledding, you can find pampas grasses waving in the breeze.

The bushes, trees and prairie gardens that have been planted around the Loop Walking Trail are providing us with great splendor. The Beautification Committee volunteers do the maintenance and upkeep of the trail. Thanks for all of the contributions throughout the year.

Any time, any season, enjoy the trail – it is a mile of walking pleasure!

### Fox Lake Property Owners Golf Outing

On the second Saturday of August the Fox Lake Property Owners Association holds its annual golf outing which is open to the public and is played as a four-member team scramble.

This golfing extravaganza features great weather, a very “attentive” beverage cart for thirsty golfers, a complimentary lunch served at the turn and the 19th hole “scene” of swapping golf stories, and drawing for many golf prizes and raffle items.

A date has not been set for the 2013 outing, so please check the website, [www.townoffoxlake.org/flpo/about\\_us](http://www.townoffoxlake.org/flpo/about_us) for updates and information on participating in this event.

### Aquatic Center

When visiting Fox Lake during the summer, make a point of checking out the city’s sparkling Aquatic Center. The zero-depth entry – or “beach entry” – is handicap-accessible along with several bubble jets and a swirling slide to go down. A large umbrella area is perfect for taking a break and relaxing in the shade.

They offer swimming lessons for all ages; and, for a workout, try the water aerobic classes.

For more information, please call the City of Fox Lake at (920) 928-2280 or visit their website at [www.cityoffoxlake.org](http://www.cityoffoxlake.org) anytime.

## Fishing / Hunting

**Fox Lake** is continuing to earn its reputation as one of the **top 10 of fishing lakes** in the state of Wisconsin. Abundant fish include perch, crappies, bluegills, muskie, northern and bass. Fishing is a year-round sport in Fox Lake, either from boats, docks or public piers at the Town of Fox Lake Park/Boat Launch on Blackhawk Trail or the City of Fox Lake, Clausen-Riverside Park/Boat Launch. Winter ice doesn't stop us either. Ice fishing is alive and well! The aeration system, installed in 1970, is still keeping the lake from completely freezing, allowing for healthy year-round fishing. You may pick up a map of Fox Lake, courtesy of the Fox Lake Chamber of Commerce, at area resorts and businesses.

Fox Lake isn't the only lake, either. Lake Emily is just northwest of Fox Lake and Beaver Dam Lake is just south. Each have public launches.

### FOX LAKE PROPERTY OWNERS

## Fish Stocking on Fox Lake

To promote the recreational use of Fox Lake for fishing, the Fox Lake Property Owners (FLPO) organization in conjunction with the DNR continues to commit itself to an extensive yearly fish-stocking program.

In late September 2012 the FLPO released 1,000 perch, 1,076 walleye, 450 northern, and 150 "true" musky. At the DNR's recommendation, the number of northern released increased by 150 over the prior year to compensate for the summer kill caused by drought, hot weather and shallow water.

The cost to the FLPO was \$7,200, an approximate \$2,500 increase over the 2011 cost. The success of the annual fish-stocking program is made possible by fundraising events, donations and FLPO membership dues.

## Mill Creek and the Mill Creek Dam

Mill Creek is a canoeing and kayaking dream. You will hear nature's sounds and observe some of the most interesting wildlife imaginable. Of course, slow pontoon rides have become quite popular, too. Whatever your pleasure, this spot will be a relaxing place for a picnic and an amazing area for children to discover and enjoy.

The Mill Creek Dam is also a favorite spot for fishing throughout the entire spring and summer. Located at the end of Mill Street, this dam controls water flow from Fox Lake to neighboring Beaver Dam Lake.

The Mill Creek Restoration project provides a handicap fishing and picnicking area with a handicap-accessible table by Riverside Park.

For more information regarding the Mill Creek Restoration project, call the Fox Lake City Hall at (920) 928-2280.

## Hunting in the Fox Lake Area

Each fall, deer hunters gather in and around Fox Lake, Dodge County, to take home that special trophy. Many public hunting areas are available. For more information, contact the Horicon DNR at (920) 387-7860.

Hosted at the Boat House Pub & Eatery by Vicki Matheys, the 2013 event will be held on **Saturday, February 2. Starting at 6:00 a.m.**, ice fishermen have a great chance for the early morning walleye. And with the fishing ending at 3:00 p.m., there's a full day for catching northern or the many pan fish available in Fox Lake. With a chance to win prizes for the largest fish in any of the legal categories, the Fox Lake Chamber has seen many trophy fish reminding them every year what Fox Lake has to offer our winter fishermen.

Not into winter sports? This event is not just for ice fishermen. All afternoon, those who prefer the indoors have a chance to participate in the silent auction and the many raffles put on by the Chamber.

All award-winning fish entries are announced and prizes are awarded at 4:00 p.m., along with an invite to stay into the evening to enjoy some musical entertainment.

Good food, car hops, beer, refreshments and ice cream are also available to keep you going all day long. T-shirts will also be available for purchase.

Judging is concourse style with \$10 at the gate for judged show vehicles and \$6 for show only/non-judged. Spectators are free.

Things really start heating up after the trophy presentation with a wet and dry burnout competition and other surprises in the works for the 2013 event. The Aquatic Center is also located on the show grounds, with many areas for kids and good music that translates to good times.

### Friends of the Lake Outing

The Fox Lake Property Owners Association has invited people with special needs to be their guests for pontoon boat excursions on Fox Lake. Snacks and beverages are provided “on board.” After several hours of fishing or simply touring the lake, the guests return to Town Park for a cookout lunch.

This popular event, held for 21 years, takes many volunteers with pontoon boats, plus cooks and servers. It is traditionally held on the last Saturday in June. Please call Louie Leizinger at (920) 928-2567 for further information.

### 4th of July Celebration Features Free Concert and Fireworks Sponsored by the Fox Lake Chamber of Commerce – Saturday, July 6

A Fox Lake Chamber of Commerce FREE Concert in the Park kicks off the evening at Riverside Park with music. The start time will be announced as plans are set. Food and refreshments will be served. Bring your family and friends, a lawn chair or a blanket. Come by car or boat. One of the area’s best fireworks displays begins at dusk. Watching the fireworks on the lake gives the viewer a “double-whammie” as the fireworks reflect on the water. Riverside Park and the public boat launch area at the Riverside Park offer excellent viewing. The west and north shores of the lake also offer great viewing opportunities. Many people board boats and go out to the “small” lake to watch the show. When the fireworks come to an end, stick around and watch the “parade” on the lake as all the lighted boats head for home. Alternate rain date for fireworks is July 7.

### Concerts in the Park

The summer months in Fox Lake also mean Saturday night concerts presented by the Fox Lake Chamber of Commerce. The 2013 concert series will host one FREE concert in Riverside Park in the City of Fox Lake on Saturday evening July 6, specific time to be announced. Go north off State Street on N. College Avenue toward the golf club – left side shelter/park area, or come by boat on Mill Creek.

Another FREE concert will be held in the Town of Fox Lake Shelter on Saturday evening, August 24. Take Blackhawk Drive off Highway A, the shelter is on the south side, or come by boat on Fox Lake.

Food and beverages will be available. Bring your family and friends, a lawn chair or a blanket and get ready to enjoy the night’s FREE concert. Contact (920) 928-3777 for more information.

The club’s mission is to provide groomed trails and fun/safe activities. Last season they upgraded their groomer and drag. The club meets once a month from October through April. Schedule of events and meetings, membership info, safety classes and trail conditions can be found on their website at <http://fp1.centurytel.net/sno-blazers>.

Riding the trail system is a privilege, not a right. Please respect the landowners by staying on the marked trails. There is a fine for riding on closed snowmobile trails. Maps are available at several businesses in the area. Always check to make sure the trails are open before heading out by calling the Dodge County Hotline at (920) 386-3705. ### Two Lakes Chapter Of Ducks Unlimited Supports Conservation

Ducks Unlimited (DU), the original “unlimited,” is a conservation organization dedicated to conserving wetlands and associated habitat for the benefit of waterfowl with subsequent benefits to other wildlife and people. Over 900 species of birds, fish, amphibians and mammals benefit from these efforts.

DU was founded in 1937 by sportsmen who recognized that conserving wetlands helps to ensure the future of waterfowl populations. Today, DU is strongly supported by both hunters and non-hunters who recognized the many benefits associated with the habitat conservation program.

These traditions have been carried on locally by the Two Lakes Chapter of Ducks Unlimited since 1985. To support this effort, Two Lakes DU has two fundraising activities each year. The first is a Mardi Gras dinner party, held during the Mardi Gras season; a fun time during the winter. **This year’s Mardi Gras Party will be held on Monday, February 11, 2013 at Schaumburg Supper Club.** Doors open at 5:30 p.m.; dinner is at 7:00 p.m. Tickets are \$25 per person.

The second event is held in the summer. This year’s Annual (28th) Event will be held at Schaumburg Supper Club (date to be determined – June or July).

The public is invited to both events. It is not necessary to be a Ducks Unlimited member to attend. For additional information on either of these events, call Ron at (920) 928-2482 or Dave at (920) 928-3348.

During the late summer of 2010 the Lions adopted Riverside Park in Fox Lake and, beginning in the spring of 2011, many improvements will take place. For more information about Lions, please contact Cindy Walker at (920) 928-6606, [wccwalker@chater.net](mailto:wccwalker@chater.net); Bob Kratz at (920) 960-1063, [rekratz@charter.net](mailto:rekratz@charter.net); or go to <http://e-club.org/sites/FoxLakeWI/index.php>.

### American Legion Post 521 and Unit 521 Auxiliary

Fox Lake's American Legion Post 521 is named for Robert W. Ginther, a Navy Air Corps pilot who died while flying his plane off an aircraft carrier in the South Pacific.

Post 521 currently has 182 members and is looking for more. The Post spends much effort on supporting area active duty military members as well as local, state and national support for our veterans. The Post is always trying to raise monies to help with this worthy cause.

The Post has a bar which is open to the public as well as veterans, and a hall available for use at a nominal charge. This hall is provided free of charge to non-profit groups and returning active duty military personnel.

We invite you to come see our in-the-works remodeling projects and to enjoy the fun atmosphere and listen to, or maybe tell, some military stories to people who have been there also.

Please stop by and visit us and our Military Veterans Memorial on State Street here in Fox Lake. Our contact number is (920) 928-2381 for more information.

This youth organization has members in grades 1 through 13 from Fox Lake, Randolph, and the Beaver Dam area. There are over 12 leaders assisting members in many of the projects offered. ### Fox Lake Public Library Friends

The Fox Lake Public Library Friends organization works year-round to support and benefit the library. They raise money from dues, candy sales and their annual book sale. The Friends assist with providing craft classes at the library like crocheting, watercolor/acrylic painting and programs.

They have been able to purchase items needed in the library, support the Summer Reading Program, purchase snacks for the programs and provide support as needed. Library book bags that can be checked out by patrons were purchased by the Friends.

The biggest endeavor is the Annual Book Sale. Items withdrawn from the library, together with donated items, are sold for a nominal amount at the sale. Donated books can be brought to the library anytime all year and will be stored until the sale. Please, no reference books, condensed Reader's Digest books or magazines. This year, the book sale will be at the Community Center, 248 East State Street, Fox Lake, on Friday, October 18 and on Saturday, October 19. From noon to 2:00 p.m. on Saturday, fill a bag for \$1.00. Volunteer to help set up or work at the sale. Your help is always needed and appreciated. Call the library at (920) 928-3223 for further information.

## Fox Lake History

Fox Lake was first settled by the “white man” in 1838 when Mr. Jacob P. Brower, accompanied by his father and two sons, settled on a homestead claim on the north shore of Fox Lake. Other members of the family soon joined him and they became the first family to settle in Dodge County. In November of 1838, Mr. Brower gave up his north shore claim and entered a claim on the south shore within the limits of the present city and on Mill Creek.

The name of the city changed three times: in 1839 it was called Frankfort and in 1840 it was changed to Waushara. Waushara was the name for sixteen years when it was changed to Fox Lake. On April 7, 1846 the town government was organized with Dr. Stoddard Judd elected as the first chairman. The first village plat was made in 1849.

By 1860, the population had reached a combined total for the village and township of 2,643 of whom nearly 2,000 were residents of the village. Small industries such as wagon shops, blacksmiths, carpenter shops, banks, barber shops, grocery stores, millinery shops, meat markets, ice houses, furniture stores, hardware stores, saloons and churches dotted the landscape of Fox Lake. Schools were important including the first Wisconsin school for women called the Wisconsin Female Academy, later to be known as Downer College.

Fox Lake also played an important part in the Civil War, sending three full companies of infantrymen to famous duty, including the “Iron Brigade” and the “Eagle Regiment.” Fox Lake also made a significant contribution to Berdan’s Sharpshooters – sending ten local men to fight in this way for the Union. Other individual contributions also occurred, and Fox Lake men fought from 1st Bull Run to Appomattox.

In 1909, the Fox Lake Public Library was started and through the years many important Wisconsin figures and events have emerged out of Fox Lake.

Riverside Memorial Cemetery, the immediate area’s most prominent cemetery, contains the remains of numerous military veterans, from the Civil War to the present. It is also the final resting place of William Shore, who it is said, was the rejected lover of Florence Nightingale.

## Harriet R. O’Connell Historical Room

The Harriet R. O’Connell Historical Room was established to preserve historical material relating to the City of Fox Lake and the surrounding area and to honor the memory of Harriet R. O’Connell, who devoted much of her time and energy to the preservation of existing material. The Fox Lake Public Library houses the room in the lower level of the library.

The room is a huge collection of Fox Lake history and it has been cited by members of the Wisconsin State Historical Society as the “largest collection of small-town history in the state.”

From the very beginning of Fox Lake, someone has saved our history. The very first land office registration book for the whole region has been saved and is now preserved for all time by a grant from the Fox Lake Chamber of Commerce. In a lot of cases, the various non-profit groups in Fox Lake, as well as other communities, have helped in whatever way possible to save the materials in the room for the future. At the present time, there is an army of retired persons who are indexing the tax records, scrapbooks and newspapers dating back to the mid-1800s.

With past funding from a private source, cataloging the room resources has made great strides. There are thousands of entries leading researchers back to information about the people, places and events of Fox Lake.

Due to the huge project of putting the room in order, it is not possible for the library staff to do personal research for people. For further information, patrons can contact the library at (920) 928-3223.

## Come see us at the Fox Lake Historical Society

The Fox Lake Historical Society invites you to visit our museum the summer of 2013. We have new displays for all to enjoy, and some of the old favorites for the whole family.

New to the society for 2013 are the Sinclair Gas Station and the First Congregational United Church Building. Both will be in the process of restoration and reconfiguration over the summer, so that they can be enjoyed by the community.

Our engine shed still houses the 1940’s Fairmont gas engine powered track car used for checking and repairing tracks as well as other antique equipment used by the railroad, local farmers and merchants to do the work required every day for the better of the community. The working blacksmith shop will continue to turn out the metal fabrications required to keep horses and equipment fit for service. The summer kitchen is also welcoming you to come in and see how the mothers of the past provided for their families.

Displays include railroad artifacts and tools, Native American arrowheads, tools and weapons, a model of Fox Lake’s famous loop, local business artifacts, and military uniforms and equipment. Many photos of all stages of Fox Lake’s history are also on display for all to see what our past looked like.

The museum is open on the first and third Sundays each month from June to the first weekend in October. Museum hours are from 1 to 4 p.m. We look forward to seeing you this summer!
